

PRESS QUOTES ON THE ROOTS OF CHICHA, VOL. 1

- **Paste Magazine, "There was a great compilation that came out a couple of years ago called The Roots of Chicha, which was a really incredible compilation of Peruvian psychedelic cumbia music. I fell in love with cumbia as a result of it." – Elijah Wood in an interview w/ Paste**
 - **NPR, "Fresh Air". "A superb Collection"**
- **PRI. The World. "Freaky, yes, but delicious too. That's the best way to describe chicha music" - Marco Werman**
 - **NPR - "All Things Considered"**
- **The New York Times " sounds even woozier now than it did in its day." - Jon Pareles**
 - **New York Post. Musical Pick of the Month**
 - **Time Out Chicago. "one amazing listen"**
- **Afropop Worldwide. "This one-of-a-kind collection is an instant classic"**
- **Time Out New York. "psychedelia has never sounded so sun-drenched and festive." - Global Rhythm Magazine. CD of the month.**
- **Inside Music: Consumer Guide. ."The most cheerful substyle to emerge from the nether regions of "world music" in years." - Robert Christgau**
